And Senator Coordsen, LR 14 as an Executive Board priority bill. And Senator Beutler would like to print amendments to LB 248, Mr. President. That's all that I have. (See pages 1141-42 of the Legislative Journal.)

SPEAKER WITHEM: Next item pending on this bill, please.

CLERK: Mr. President, the next amendment I have to the bill is by Senator Maurstad. AM1043, Senator. (See page 1114 of the Legislative Journal.)

SPEAKER WITHEM: Senator Maurstad.

SENATOR MAURSTAD: Thank you, Mr. Speaker. This is, if you'll recall, members will recall, on General File I had an amendment, AM806, that was adopted unanimously and attached as a part of LB 249. The amendment before us, 1043, is a technical amendment brought forward by the Liquor Control Commission, who also supported the previous amendment, that cleans up some of the provisions of that earlier adopted amendment, consistent with the provisions of the bill. The most important thing that it does is because of the time that licenses are issued, the effective date of the amendment previously adopted would be July 1, 1998. Would ask the body to adopt the amendment.

SPEAKER WITHEM: You've heard the motion. Are there any members wishing to speak to the motion? There are none. Senator Maurstad, do you have closing? Closing is waived. Question is, shall AM1043 be adopted to LB 249? All of those in favor vote aye, opposed vote nay. Record.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of Senator Maurstad's amendment.

SPEAKER WITHEM: AM1043 is adopted. Mr. Clerk.

CLERK: Senator Landis has AM1071. (See page 1115 of the Legislative Journal.)
